CLAIMS

Amend claims 48, 50, 52, 70, 208, 209 and 255 as follows.

248. (Once Amended) An infant simulator, comprising:

- (a) a doll;
- (b) a diaper-change system within the doll for periodically effecting a diaper-change episode, including at least:
 - (i) a means for generating a perceptible soiled-diaper signal;
 - (ii) a means for receiving a diaper-changed signal; and
